ORDER

The Court has considered the parties' further submissions. (D.I. 166, 167).

Omeros is permitted to proceed with twelve claims across the six patents, as requested in D.I. 166. The claims that are dropped are dropped with prejudice. They cannot be brought back if the trial does not turn out in Omeros' favor. Thus, Omeros' footnote 2 in D.I. 166 is rejected. The Court notes that the parties have not necessarily had a meeting of the minds on Par's original footnote 1 (*see* D.I. 166 at 2), and the Court expresses no opinion on the merits of the footnote.

IT IS SO ORDERED this 6 day of June 2017.
